ReSound GN

Next-era hearing

Top-rated for hearing in noise.
Smaller than ever.
Uncompromised. And...

ReSound Nexia

Smaller than ever.
Uncompromised.
And...

Enjoying conversations can be difficult when everyday life is filled with noise. ReSound Nexia™ starts a new era for hearing technology, combining proven performance with cutting-edge features that revolutionise the way we experience sound. All, so you can jump back into socialising.

Everything you need to hear your best

ReSound Nexia is top-rated by other users for sound quality and hearing in noise.

So small, so comfortable

This small style just feels natural with our best wearing comfort. You almost forget you're wearing hearing aids.

Touch to connect

The power to stay in touch with friends and family or listen to entertainment is right at your fingertips.

Join in conversations again

9 out of 10 users recommend ReSound Nexia for hearing in noise. Focus on what you want to listen to without missing out on the sounds around you.

Enjoy beautiful clear sound

Join conversations and talk without your voice sounding loud or artificial to you.

Now you see it, now you don't

The ellipse-shape has soft, symmetrical lines and sits comfortably behind your ears.

Confidence with all-day power

These rechargeable hearing aids give all-day power. Place them in the charger at bedtime and they will be ready for a new day.

Double-tap your ear for calls

Stream calls from your mobile devices to your hearing aids – just double-tap on your ear (or one of the hearing aids) to answer the call.

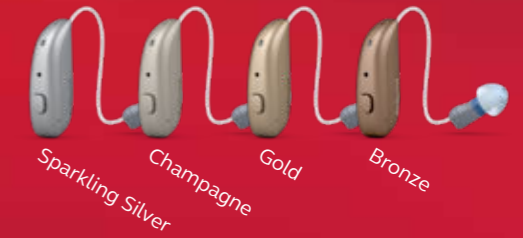

Improve TV time

Use the TV-Streamer+ to send the sound directly to your hearing aids at the volume you prefer. Brings harmony to family TV time.
